The Lincoln bypass provides easy access to the A1 at Newark, the M1 at Leicester and, via the A15 and M180, to the Humber Bridge and the ports of Immingham, Grimsby and Hull. In addition, the location provides easy access to Lincoln city centre. Sustainable transport in the area is encouraged through a regular bus service to the site, excellent cycle routes to Lincoln city centre and North Hykeham and links to the nearby Hykeham Station. Facilities available in the immediate surrounding area include health clubs, hotels, restaurants, public houses and a day nursery.
